Group Health Insurance Update: Last month the ADRC-NW Board approved joining the Wisconsin Public Employers' Group Health Insurance Program as of October 1, 2014. However, this date can now be moved up to July 1, 2014, but this requires an amendment to the Resolution for Inclusion under the Wisconsin Public Employers' Group Health Insurance Program that was passed in May 2014 by the Board of Directors. Cushing moved to amend the Resolution for Inclusion under the Wisconsin Public Employers' Group Health Insurance Program to substitute July 1, 2014 for October 1, 2014 as the start date. Carryover Funding Update: The State has approved 2013 carryover funding requests of \$22,000 for office equipment; \$12,000 for training/conference fees; \$1,200 for the library. Still pending is a request of \$20,000 for marketing. In addition, the ADRC-NW received a grant of \$39,700 to offset the cost of the State advertising campaign for this region. The State has been advised that we will be requesting funds to resolve the telephone system issue.

Board Member Evaluation: This has been completed, but due to a misunderstanding it was not sent out to Board Members for review.

Regional Manager Report: 1) The Disability Benefit Specialist (DBS) Consulting Attorney visited the ADRC-NW on June 17th and 18th. He feels the ADRC-NW DBS workers are doing an excellent job, and he has no issues. He feels that these workers are extremely dedicated to providing excellent service. He would like the ADRC-NW to establish a database for Release of Information forms. 2) The Medford DBS pay scale was increased at the completion of her probationary

period. 3) So far, seven applications for the two vacant positions on the Board of Directors have been received. 4) Work is proceeding to get Memoranda of Understanding completed with the tribes. 5) Parkkila made a presentation to the Oneida County Board and will be doing one for the Vilas County Board in August. Millan will set up a time to present at the Forest County Board. 6) There has been excellent feedback from the recent statewide advertising program. The staff marketing committee met with Kinziegreen to discuss the redesign of the ADRC-NW Web site. 7) The State is working on developing more services for the dementia population through ADRCs. They will provide training for ADRC employees to become dementia specialists.

Teichmiller reported that there is a July deadline for Requests for Proposals for family care providers for the northeastern counties. He feels the ADRC-NW should be proactive with regard to family care to ensure that all options are available rather than letting the State choose the options for us.

On September 9, 2014, there will be a conference on Care Transition at Wisconsin Dells. The State would like more ADRCs working on this. The Greater Wisconsin Agency on Aging Resources Conference will be September 10-11. It will also be at Wisconsin Dells.

Board Member Report – Community Feedback: Several Board Members saw the statewide ADRC commercials and liked them very much.
